

*15th Annual*  
**TAFY Christmas Party!**

*December 18, 2019 @ 5 PM*

**First Baptist Church | 105 W 6th St, Port Angeles, WA 98362**

TAFY is looking forward to the holidays again. Making people smile, feel loved and feel included is our goal. We will have two separate parties, one for the clients still accessing services and one for all the families and their children who are clean and sober. This population is a tough group to help, but our volunteers do it with grace and love. **We need your financial support to make sure everyone has a gift and no one is left out. Please find it in your heart to help us as we show them the love that we all deserve to know.**

*From all the caring hearts that hang out at TAFY,*

**Thank You!**

Everyone is invited to attend the Christmas Party. If you have questions please call Susan (670-4363) or Pam (477-0247) or Karen (461-4852).

**Coming together is a beginning;  
keeping together is progress;  
working together is success.**
